Instructions for abstracts

A volume of abstracts/extended abstracts of presentations at the conference will be made available at NOR's website and distributed in paper format at the conference. To enable this, you are kindly requested to provide the abstract of your presentation according to the specifications below.

Abstracts should be written in English, and preferably also in either Finnish or a Scandinavian language.

Format of abstract file:

- Size: 1 page for abstracts and 2-4 pages for extended abstracts including tables and figures
- Font type and size: Times New Roman 12
- Single line spacing
- 2.5 cm margins
- Scientific names in italics

Content of abstract:

- Title (in bold)
- Authors: Name(s), affiliation, address, email address
- Text: Describe problem, methods, main results and conclusions in plain writing. Extended abstracts should include key references.
- Key words: Give 3-5 key words in alphabetical order.

Submission

Your abstract should be submitted as a Microsoft word file by to [<abstract_NOR2009@arbetsplats.slu.se>](mailto:abstract_NOR2009@arbetsplats.slu.se). The name of the Word file should start with the first author's or presenter's surname and initials, as e.g. "WhiteAA.ppt". Please use the name of the file (surname and initials) as e-mail subject.

Abstracts must be received no later than December 15, 2008. Abstracts not received by this date will not be included in the volume of abstracts compiled prior to the Conference.

Proceedings

There will not be any printed proceedings issue from the conference, but the volume of abstracts will remain available as an electronic document. Participants presenting poster and/or lectures are instead welcome to submit manuscripts of complete articles for publication in Rangifer journal <http://www.ub.uit.no/baser/rangifer/>, see author guidelines <http://www.ub.uit.no/baser/rangifer/submissions.php?op=index#guidelines>.
